Christians Globally Effecting
Missions Strategy is a non-profit
organization dedicated to helping
churches become more involved in
obeying the Great Commission.*

Christians Globally Effecting Missions Strategy invites you to our Fifth Virtual and 22nd Fall Harvest Missions Retreat (FHMR)! Its purpose is to devote consecrated, concentrated, intense time to **Missions Education** concerning God's Heart for the World beginning with **Fasting and Prayer**. Fasting and prayer begins a week before the retreat and ends the first day of retreat if you are so led. The Missions education will prepare us to finish the task of reaching the world and the prayer focus will be for the unreached peoples of the world, the unreached in the 10/40 Window, the Persecuted Church, local churches, the Universal church and much more! This year the Lord has called us to **GO VIRTUAL!!**

In the times that we are living in, perhaps we should consider these questions:

- What are the ways of Jesus amid a polarized and violent world?
- How does a majority-Christian nation end up supporting genocide, slavery, or other mass evil?
- How might Christ's gospel of peace help us plant churches among unreached peoples?

Please join us as we do a participatory study of **The Ephesians 2 Gospel Project** by authors Werner Mischke and Kristi Caynor as it explores these questions and many more. They have afforded a place to learn about the most critical concerns of our times from the diverse voices, insights, and hard-earned lessons in the global Body of Christ. Mischke and Caynor seek to create a global conversation around the gospel of peace, and questions Christians everywhere are asking about violence and division in their communities.
